

MODERN SLAVERY POLICY

MawdsleysBER Limited is committed to driving out acts of modern day slavery and human trafficking within its business and from within its supply chains, including sub-contractors, and partners.

The Company acknowledges its responsibility within the Modern Slavery Act 2015 through publication of a policy statement setting out the steps we take to prevent modern slavery and related abuses [amend if the Company does not have a turnover of over £36m pa, and replace with 'upholds the spirit and intentions of the Modern Slavery Act 2015'].

We will ensure transparency within the Company and suppliers of goods and the larger supply chain and services to the Company through steps which include:

- Assessing and reducing the risk in the business of modern slavery practices occurring e.g. checking the authenticity of papers proving a right to work in the UK
- Having robust procurement policies that ensure our supply chain is scrutinised for compliance and consequences of non-compliance are clear and actioned i.e. that commercial relationships with suppliers, contractors and other business partners will not be entered into (or terminated if existing)
- Providing information to staff on the warning signs that might indicate that modern slavery is taking place
- Promoting to staff the importance of raising immediately any concerns they may have
- Protecting staff who are 'whistle blowers' in respect of concerns they have about modern slavery
